House 419 Porto-Vecchio

A few minutes from the Porto-Vecchio shopping center, in the countryside, a small 1990s house with a separate garage. Situated on a charming, peaceful garden with no neighbors in sight, wooden terraces made of exotic wood (including a covered one of about 19 m²) allow you to fully enjoy the outdoors. The house features three bedrooms with closets, a laundry room, a walk-in closet, a separate toilet, and a bathroom. The open kitchen connected to the living room was remodeled in 2021. A chimney flue is available and ready, air conditioning point in the living room, concrete roof, outdoor shower, recent sliding glass doors. A must-see! Information about the risks to which this property is exposed can be found on the Géorisques website: www.georisques.gouv.fr
